

New York, April 24.—Taking, its regarding international conditions received over the week-end today's markets opened active and strong and except for intermittent but minor reactions continued its upward progress to the end. Some of the more active at week's lowest quotations and investment issues, including rails, were better by 1 to 2 points.

credited with new export sales aggregating 900,090 bushels.

Corn was governed almost wholly by the changes in the price of wheat. Oats had no independent action, Sharp advances in lard carried other provisions upgrade. The impetus came from signs of foreign buying of lard and from the fact that hog receipts were less plentiful than expected.

Closing prices:

Wheat—May, \$1.12½; July, \$1.12½.

Much of the day's headway was effected at the expense of the short interest, that faction being made to yield a very large part of its recent earns.

This was especially applicable to United States Steel and Mercantile Marines, which led the active day. Steel made a maximum gain of 2% to 82% and Marine preferred rose 6% to 80% with 2% for the common at 23%.

Smelting 2 % to 92. Crucible Steel, Baidwin Locomotive and General some of the motors and all | the leading coppers were higher by to 4 points. Even Westinghouse cose superior to labor troubles, Reading was the most active of the railway division, but Grangers and

prices were not unresponsive to fa-vorable traffic reports and the Southern Pacific statement for which showed a net gain of \$736,000. Total sales of stocks amounted to \$20.25 @ 20.75.

The bond market was steady with an expansion of dealings. Total sales, par value, were \$3,175,900.

United States bonds were unchanged and sales bonds were unchanged.
